

# Lost in the Woods

## By Marko, Aleksandra and Milica

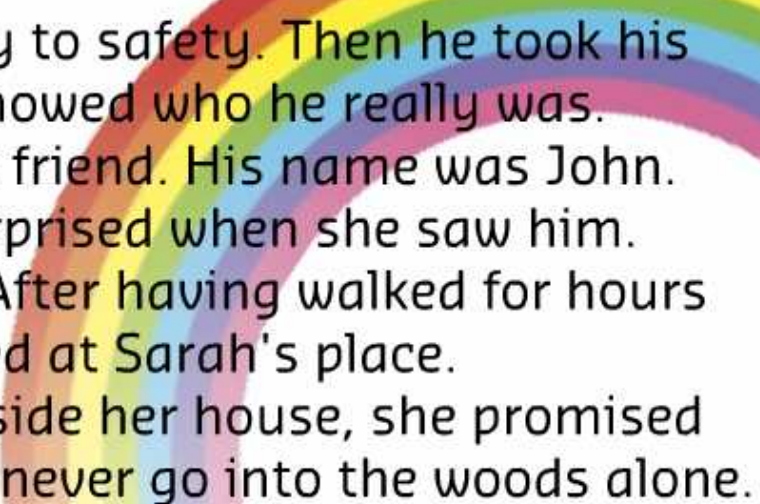

Sarah was lost in the woods  
and heard some noise.  
She started running in  
one direction but then,  
all of a sudden,  
she saw something twitching  
and then she stopped,  
clueless of what she  
was meant to do.

A man stepped out of the bush,  
and asked the  
girl if she needed any help.  
She replied affirmatively.  
And since the man had a torch,  
he led the way.

A vibrant rainbow with multiple bands of color (red, orange, yellow, green, blue, purple) arching across the right side of the text box.

The man led her way to safety. Then he took his mask off and showed who he really was. It was their father's friend. His name was John. She was really surprised when she saw him. It was a huge relief. After having walked for hours they arrived at Sarah's place. Once she stepped inside her house, she promised herself that she would never go into the woods alone.
