

My fantastic day

I was at the seaside.
My diamond disappeared
from the bag.
A witch stole my magic
stick.

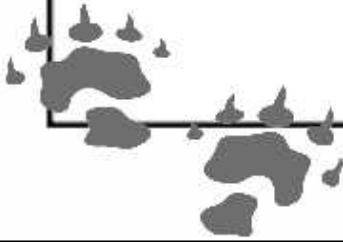

The
witch took me to a cave.
There were
spiders and snakes. They
were
very dangerous.
The witch's sister cooked
a magich drink.

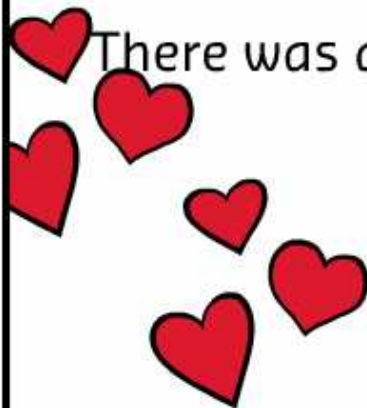

Then a prince appeared to rescue me.
He fought with some soldiers.
The soldiers protected the witch.
THE PRINCE WON !!!

and...I WOKE UP!!!!!!!!!!!!!!
