

Philip's Wierd

Future

In years to come ,I
will be defending
myself from
zombie
apocalipse.

World will be
infected by an
unknown virus
from a know
friend,my friend.

I will try not to get
bitten by an
infected person,so I
will run to a cottage
in the forest,

I will have hidden
in a cottage for
the rest of my life
and try to stay
alive.

I will feel the
presence of a
■ Demon,ironically ■
it will be my friend
Lucifer aka Devil
■

He will be
standing on my
cottage and I
won't like it.

Because of my IQ I will forget to close the window.

Because of my laziness I will die. It will be very painful.

My comrade Lucifer will later bring me back to life.

He will bring me back to life with an extra set of powers.

I will use my power to kill all zombies.

My enemies
will rot in the
ground with a
lot of weed.

Because of my
low IQ I would
die again.

Because of my
heroic actions
Lucifer will build
me a temple of
Filip.

Zombie
would pray
on my grave.
