

# Last Weekend

By: Nina Peric and Stefan Anicic

Last weekend we went to a park. The weather was sunny.  
There were a lot of dogs and cats and we played with them.  
We also played volleyball there. We had a good time.

We went back home. We tidied the rooms and after that we played games on the mobile phones. We were very tired.

In the evening we fed our pets and went to sleep.
