

OUR AMAZING WEEKEND

By: Lea,
Žarko and
Sofija.

Last weekend
was amazing;
Sea, beach, sun
And just us.

We were
sunbathing
while the guard
was looking
at the sea.

Trees were
making shade
for us.
And crabs were
walking around.

The next day we went
camping.
It was a little crazy..
JUST A BIT.

Many people got
scared of snakes
and spiders.

There was a campfire
and we told
scary stories.

There was food
that we couldn't
stop eating.
bread, carrots, meat
...

In the morning
we went to
the
mines.

In the morning
we got to the mines.
There were
many ores.

At the start we
found coal.
And some gold.
There was ruby too.

Omg...

Just as we wanted
to go,
we found
diamonds!

We still didn't decide
what to do... We will see
THE END...

To be continued ;
