A young boy with short brown hair and a neutral expression is wearing a grey hooded sweatshirt with the word "PUMA" printed in large, bold, black letters across the chest. He is holding a small, custom-built LEGO figure in his right hand. The figure is primarily white with green accents, including a green roof-like structure on its head and green legs. The background features a map of the British Isles, showing the Bristol Channel, English Channel, and various locations like St. David, Swansea, and Bath. A yellow sticky note is attached to the map.
