

# Love story

Once upon a time there were a poor and rich family. How did they live? The poor family lived in a cottage, and the rich family lived in the castle. The rich family was really mean to every family. The poor family hadn't got any mobile phones, TV, electricity, shoes, beautiful and expensive clothes, but the rich family had all that.

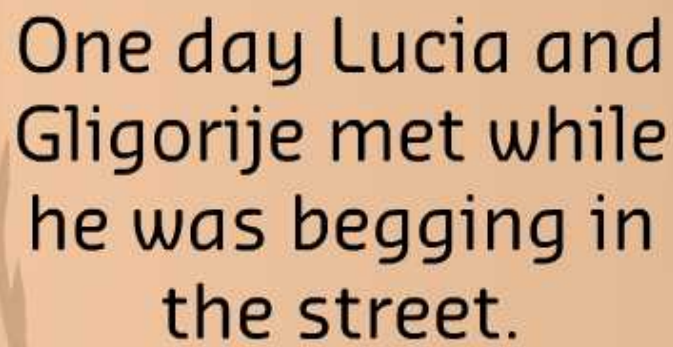

Lucia  
Grande went  
to the rich  
school.

Gligorije Pitt  
went to the  
classical  
school.

In this century  
Gligorije and  
Lucia couldn't  
be in love.

The End!!!
