INTRODUCTION

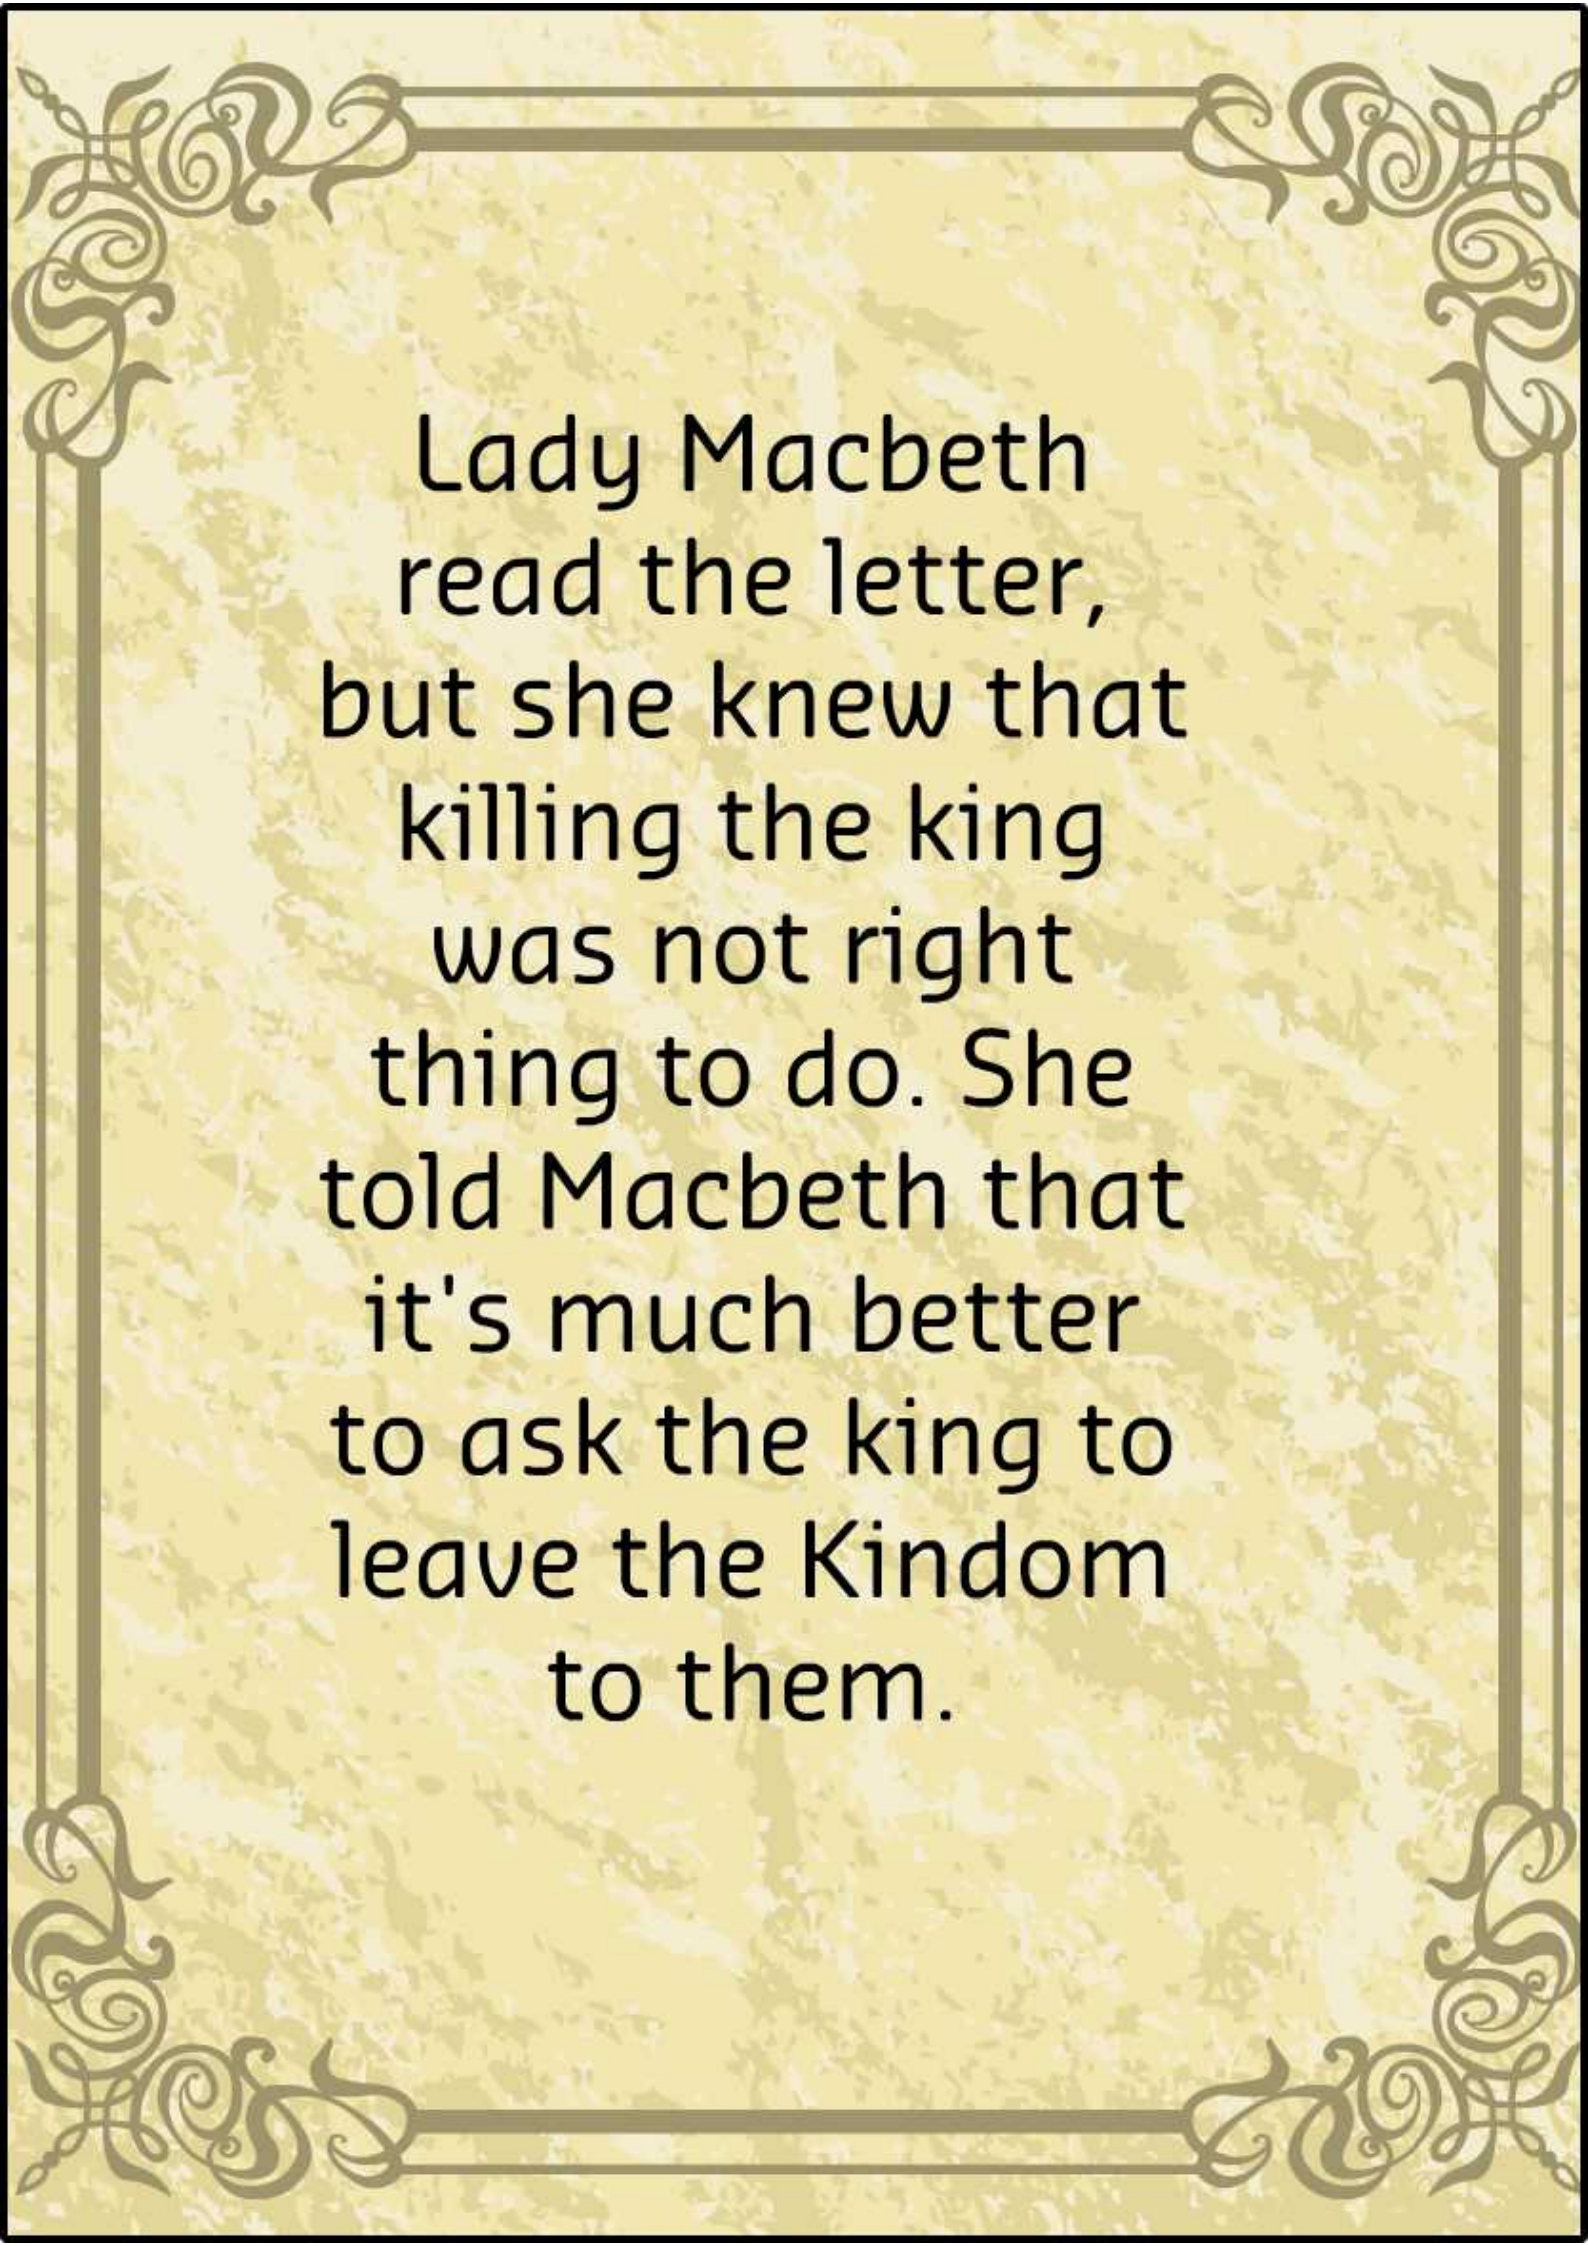

This story is about Macbeth who really wanted to become a king after the witches told him so. He sent a letter to his wife, because he was at war at the time. She was delighted with the idea. However, they decided to earnestly ask the king to cede the throne to them. King agreed to it.

The witches told
Macbeth that he
would become a
king.

If you kill the
king, you will
become the
king.

HA HA HA HA

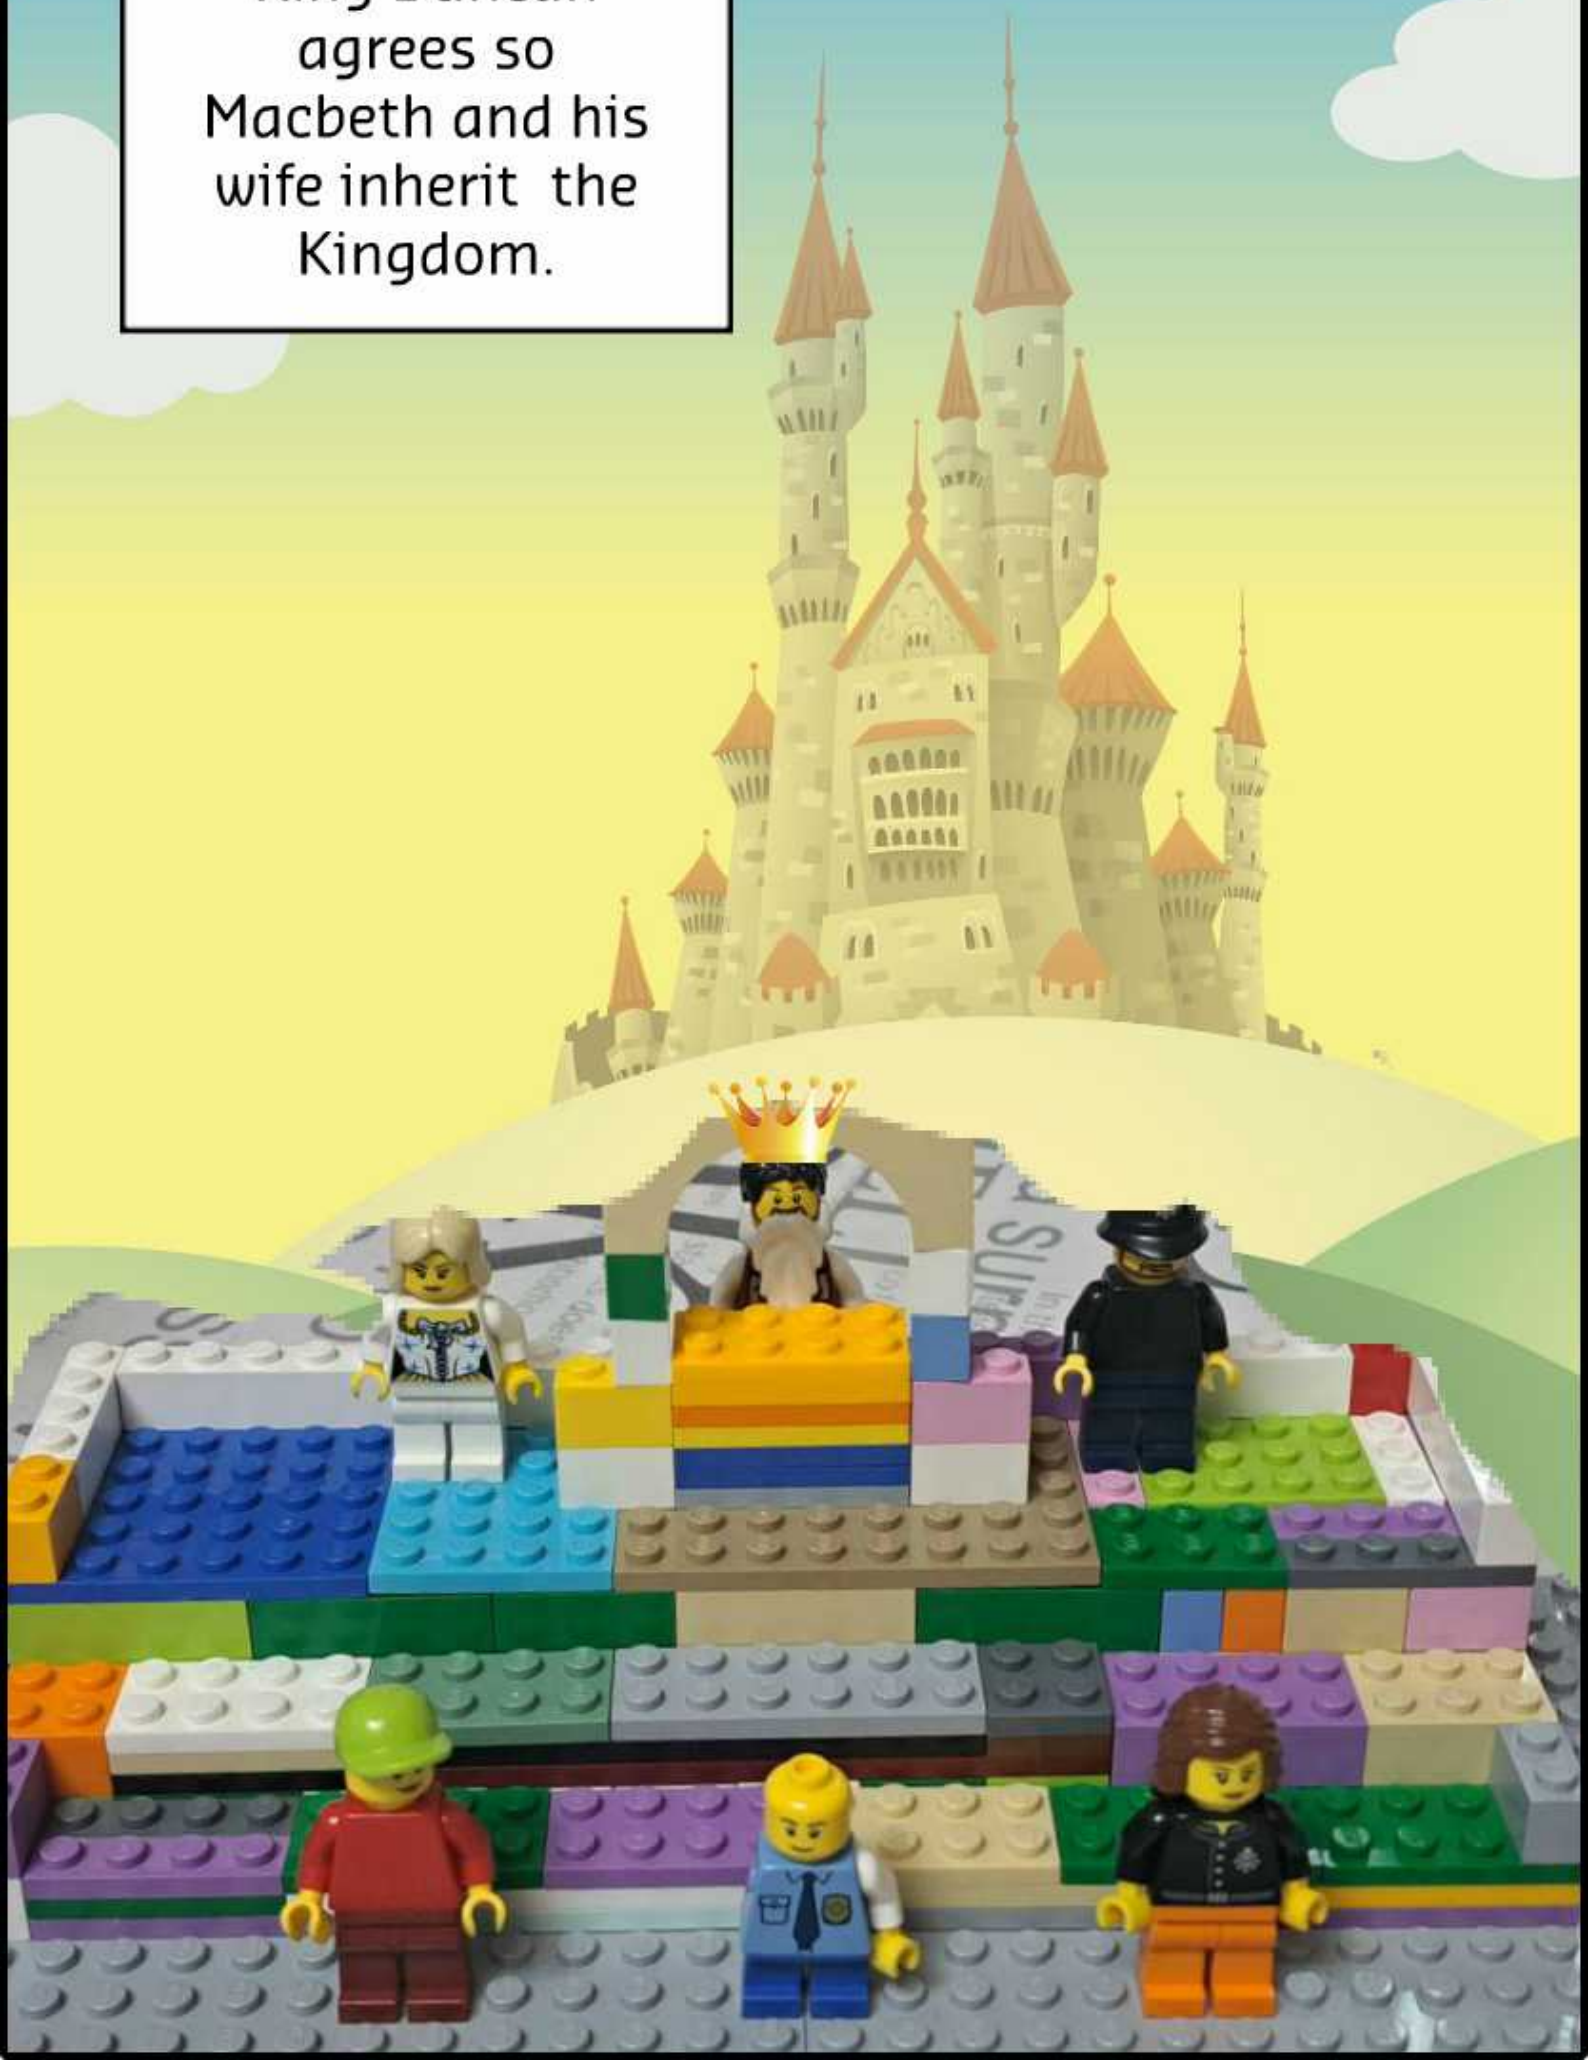

Lady Macbeth
read the letter,
but she knew that
killing the king
was not right
thing to do. She
told Macbeth that
it's much better
to ask the king to
leave the Kingdom
to them.

Macbeth and his wife made an agreement to politely ask the king to leave the Kingdom to them.

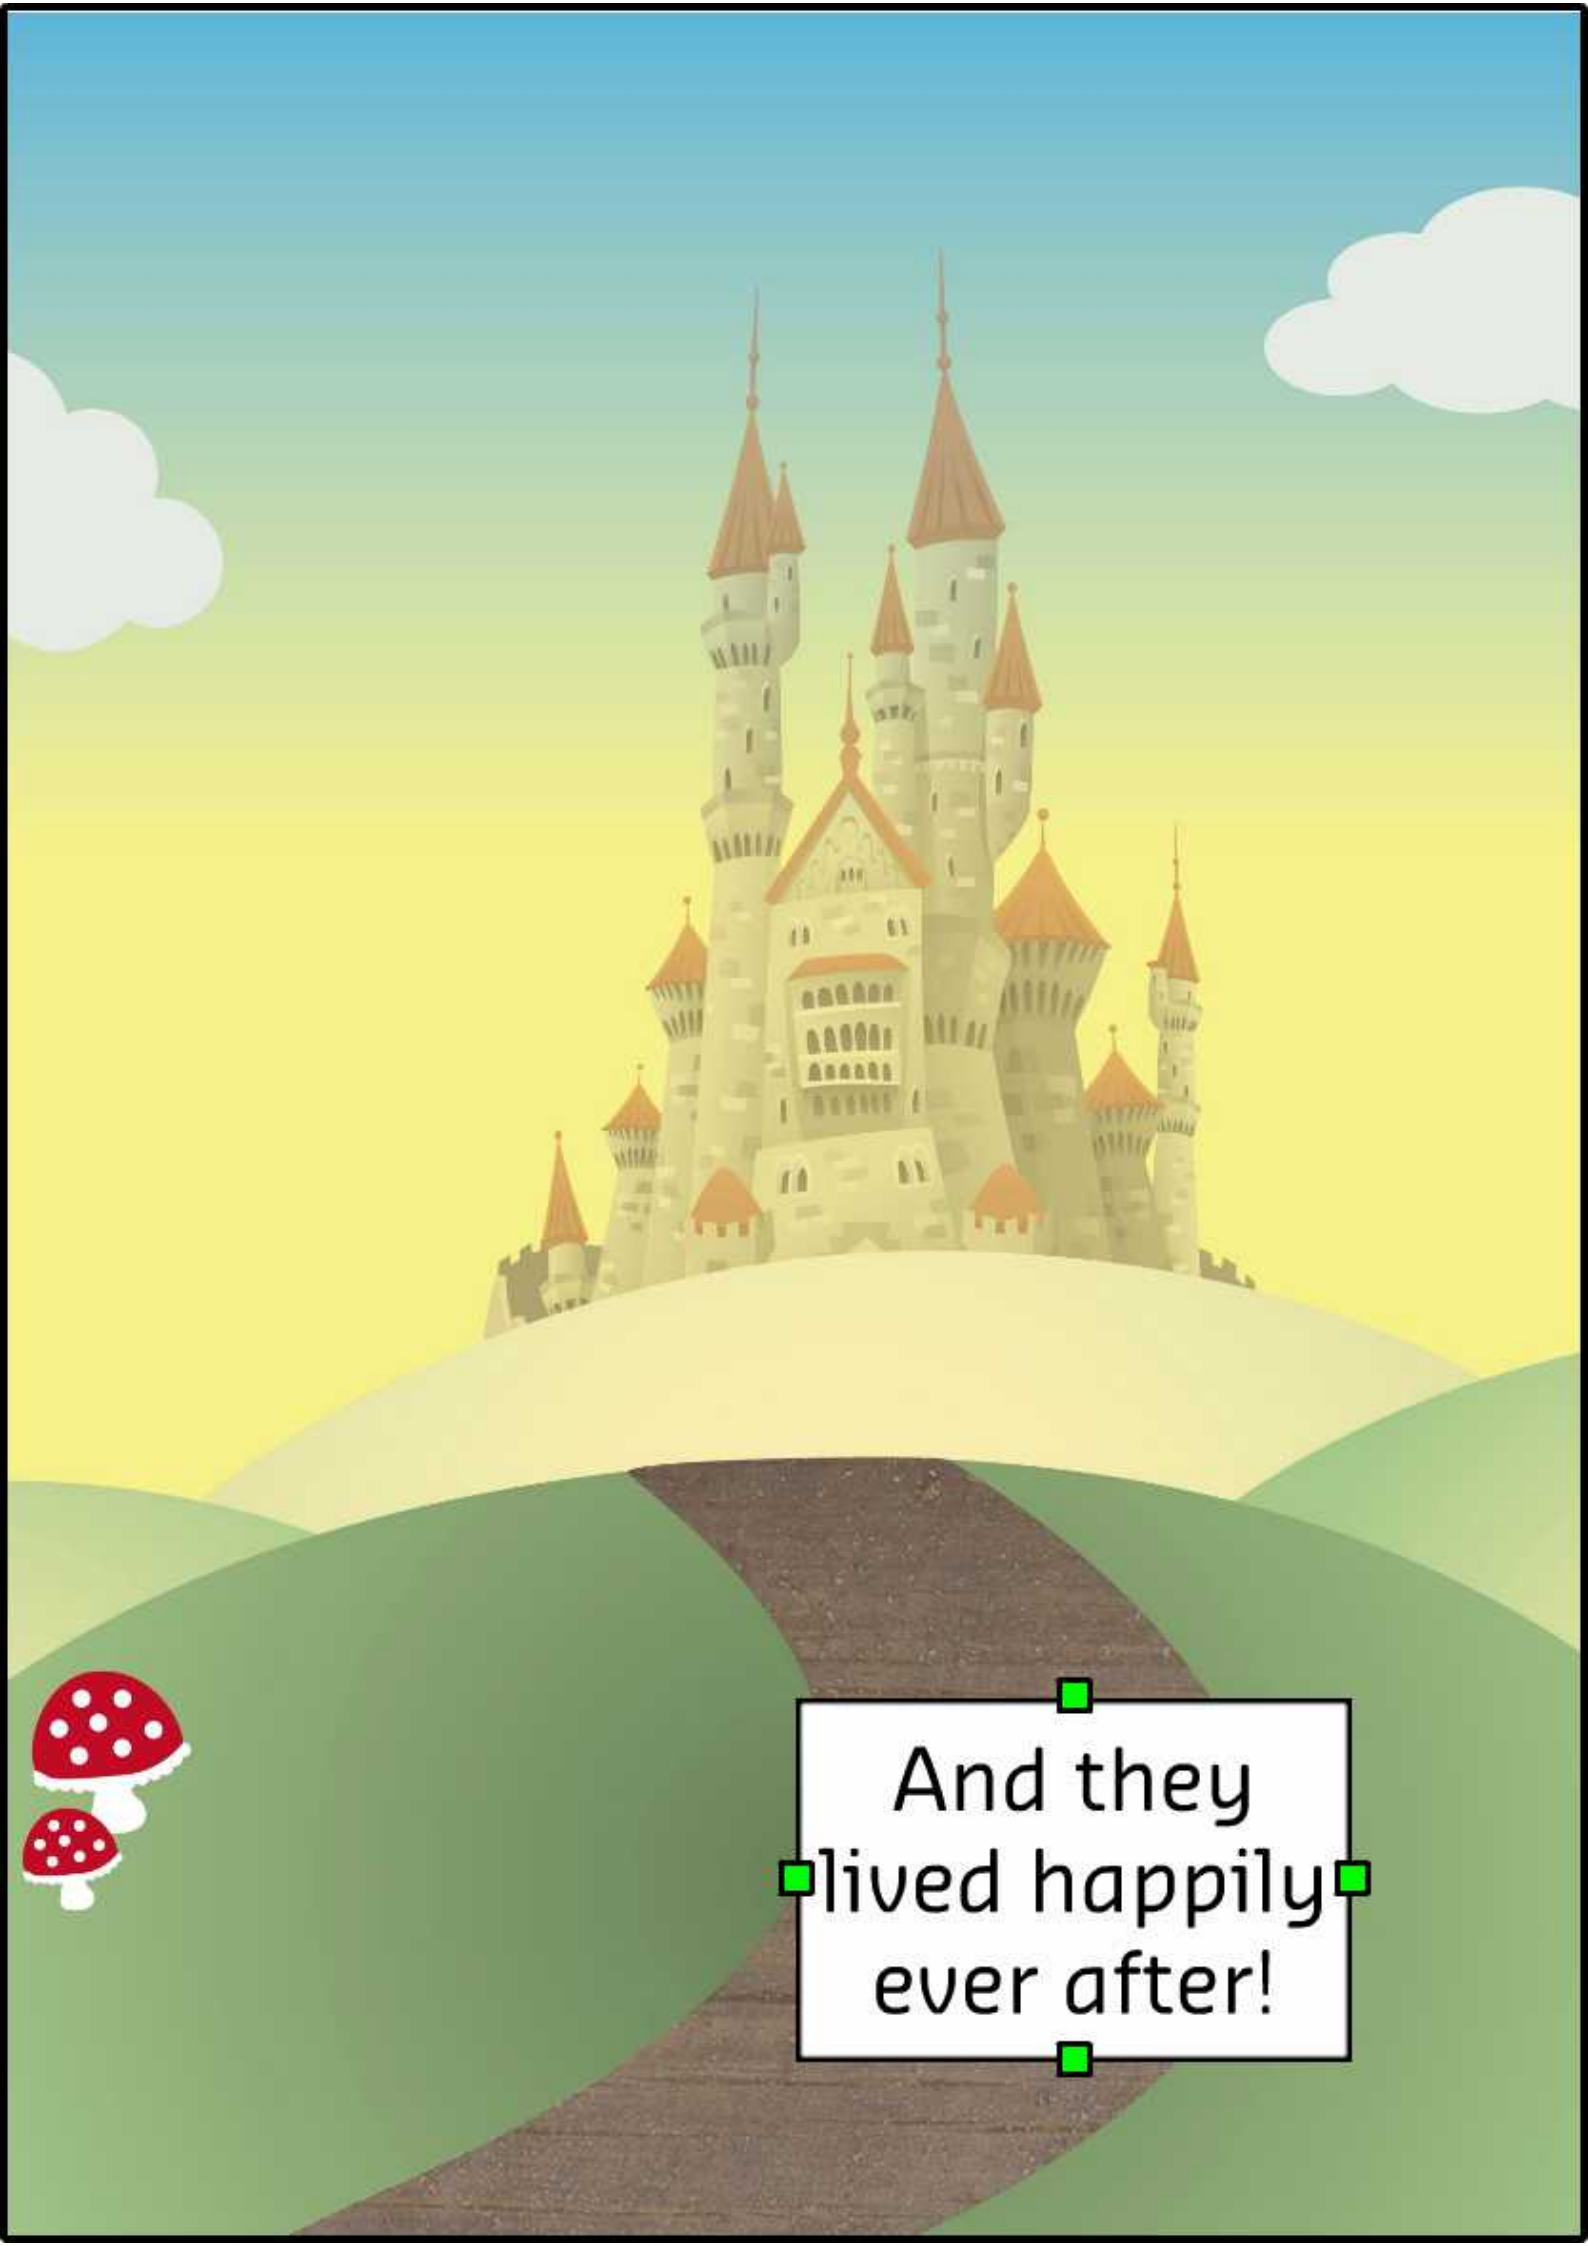

King Duncan
agrees so
Macbeth and his
wife inherit the
Kingdom.

Macbeth and his wife became the best king and queen ever.

And they
lived happily
ever after!
